

FOR YOUR PRAYERS

While he was saying this, a synagogue leader came and knelt before him and said, "My daughter has just died. But come and put your hand on her, and she will live." Jesus got up and went with him, and so did his disciples. Just then a woman who had been subject to bleeding for twelve years came up behind him and touched the edge of his cloak. She said to herself, "If I only touch his cloak, I will be healed." Jesus turned and saw her. "Take heart, daughter," he said, "your faith has healed you." And the woman was healed at that moment. When Jesus entered the synagogue leader's house and saw the noisy crowd and people playing pipes, he said, "Go away. The girl is not dead but asleep." But they laughed at him. After the crowd had been put outside, he went in and took the girl by the hand, and she got up. News of this spread through all that region. Matthew 9 v18-26

MISSION SUPPORT FOR JUNE – THE CHURCH SOCIETY

Warbleton Church is a partner in the fellowship of churches which form the basis of this Society; its vision as stated on the website is "Equipping God's people to live God's word". It is an "evangelical Anglican charity established to promote and uphold the biblical foundations of the Church of England It seeks to carry out this vision in the following ways:

Partnerships - Partner churches can participate in the annual conference as well as attending other opportunities for fellowship and learning together. It is a founding member of the Church of England Evangelical Council and supportive of the Evangelical Fellowship of the Anglican Communion. Their team of part-time Regional Directors work with local regional networks and groups, supporting clergy throughout the country.

Publishing - The Society publishes its journal of Anglican theology, a members' magazine Crossway and other books and resources, including its Anglican Liturgy in modern English.

Patronage - Through its patronage body the Society appoints and supports evangelical clergy in a growing number of parishes. It also administers various funds and trusts including a fund to assist those in training.

Underlying all the above activities can be seen a desire that church fellowships and their members should grow in their Christian lives as we hear God speaking to us through the words of the Bible..

OTHER NOTICES

IT'S NOT JUST POLICY, IT'S PERSONAL

'It's Not Just Policy, It's Personal' is a campaign to raise awareness of how to recognise and report safeguarding concerns. It will run from 1st June - 14th June 2026. Two key recommendations from the Makin Report, focused on how the Church can have confidence that abuse, both current and non-recent, is being reported. and this campaign is being run to raise awareness of how to report safeguarding concerns.

Safeguarding guidance and codes of conduct are statutory and must always be followed, but this campaign reminds us that these are not simply processes to be followed. At the centre of every safeguarding concern is a person who has taken the difficult step of disclosing harm or risk. Creating a safe space for people to report, and how we respond to them, matters.

Bishop Robert, Lead Bishop for Safeguarding explains, 'Safeguarding in the Church of England is not simply about compliance with guidance or completing the right forms. It is about people and for those of us who seek to follow Jesus, it is about how we live our faith
